

School of Education

1. Please use the California Dashboard [[www.caschooldashboard.org](http://www.caschooldashboard.org)] to capture the data for the school in which the fieldwork is completed [How-To Video located on [www.plnusoe.com](http://www.plnusoe.com)]. Input data into the Percentage column.
2. Once completed, have your host teacher review the data. *Host teacher: Make any necessary revisions in the Optional Edits column based on actual classroom demographics in percentage form.*
3. Acquire Appropriate Signatures [Please note, if you are using your own classroom, you are required to obtain an administrator signature]
